The Company agrees to and does hereby recognize ICG 669 as the sole and exclusive bargaining representative for all ICG 669 Members employed and performing any of the duties in any classification normally covered by ICG 669 jurisdiction, photographing theatrical, non-theatrical and commercial productions, now and hereinafter employed by the Company within the jurisdiction of ICG 669.

1. GENERAL PROVISIONS

- a. The Company agrees to furnish to ICG 669, before principal photography commences, a copy of the top sheet of the complete certified budget, or a copy of the Completion Guarantor's letter stating total budget. Tier levels and financing reductions shall be determined by ICG 669's Business Agent and the Company.
- b. Simultaneous with the execution of this Agreement, the Company shall deposit a bond via wire transfer or certified cheque with ICG 669 in an amount equal to two (2) weeks of estimated payroll for all Employees covered by this Agreement. The bond shall be returned by ICG 669 to the Company once all financial obligations have been fulfilled. ICG 669 shall continue to accept a Guarantor Letter in lieu of the foregoing if this has been the past practice between the Company and ICG 669.
- c. The Company agrees to bring all ICG 669 members it employs under the coverage of the applicable provincial workers' compensation legislation, and to produce to ICG 669 proof of coverage, upon request.

No set of safety regulations, however, can comprehensively cover all possible unsafe practices of working. The Company and ICG 669 therefore undertake to promote in every way possible the realization of the responsibility of the individual Employee with regard to preventing incidents to themselves or their fellow Employees.

SCHEDULE "A"

Studio Zones:

- a. The Vancouver Studio Zone shall be viewed as a grid, the boundaries of which are:

On the West, the shoreline;

On the North, from the northern municipal boundary of the District of West Vancouver eastward along the northern municipal boundary of the District of North Vancouver to the end of the road at Seymour Dam, then continuing eastward to the eastern shoreline of Coquitlam Lake;

On the East, 122 degrees/45 minutes longitude southward to a point of intersection with the 5L82 BC Hydro power line, then southeast following that power line to a point intersecting the end of the paved road at the northern boundary of Minnekhada Park, then continuing east to the western shore of the Pitt River, then following the western shore of the Pitt River to a point directly north of 200th Street in Langley, B.C.; and

On the South, the Canada/U.S. border.

For clarity, along the Studio Zone's eastern boundary, the area encompassing all east-west street addresses below 20000 are within the zone. Golden Ears Bridge, and its approaches, also are within the Studio Zone.

- b. The Studio Zone for Greater Victoria is the area of land inside the boundaries of the following communities: North Saanich; Sidney; Central Saanich; Saanich; Victoria; Oak Bay; Highlands; View Royal, Esquimalt; Langford; Colwood; and Metchosin.

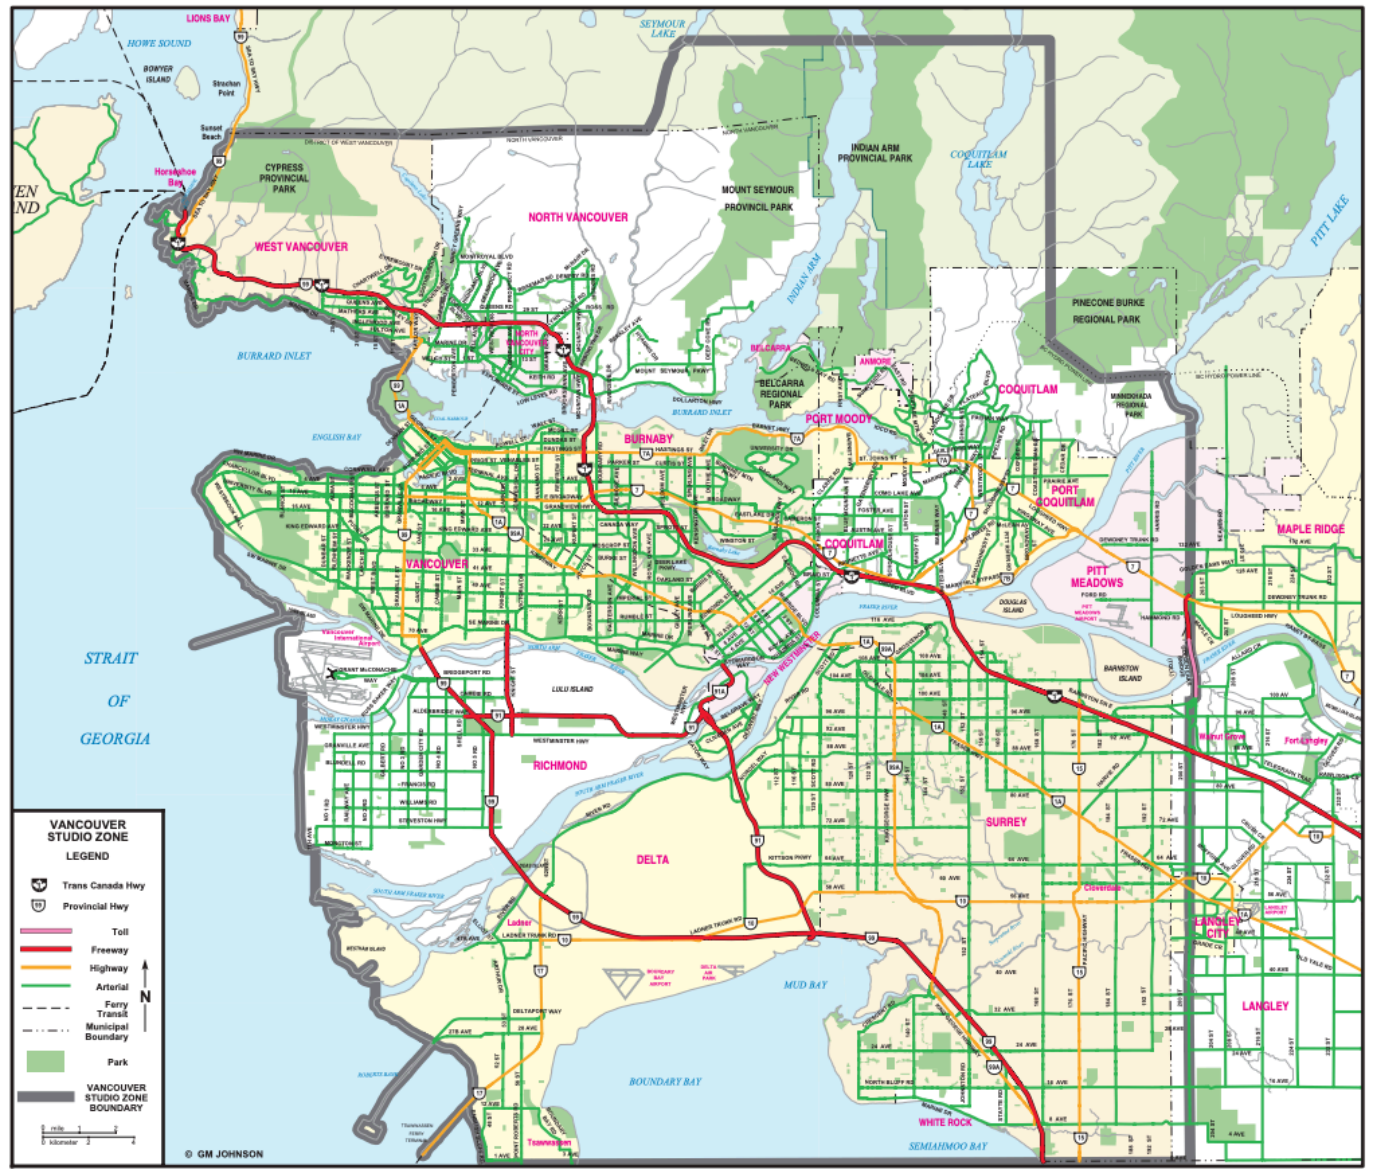

In addition to the above, the Studio Zone for Greater Victoria will include: an extension west of Metchosin which will include the area of land inside the boundaries of Highway 14 (Sooke Road), Gillespie Road, and East Sooke Road; and an extension north of Langford along Highway One which will include the area inside the boundaries of: the shoreline on the East; Shawnigan Mill Bay Road/Renfrew Road on the North; and West Shawnigan Lake Road/Shawnigan Lake Road on the West.

The parties hereby confirm that the foregoing paragraph establishing the Studio Zone for Greater Victoria will include only land area as described above that is part of the mainland of Vancouver Island and is accessible by a regular motor passenger vehicle without the assistance of a ferry or other water transportation vehicle or device.

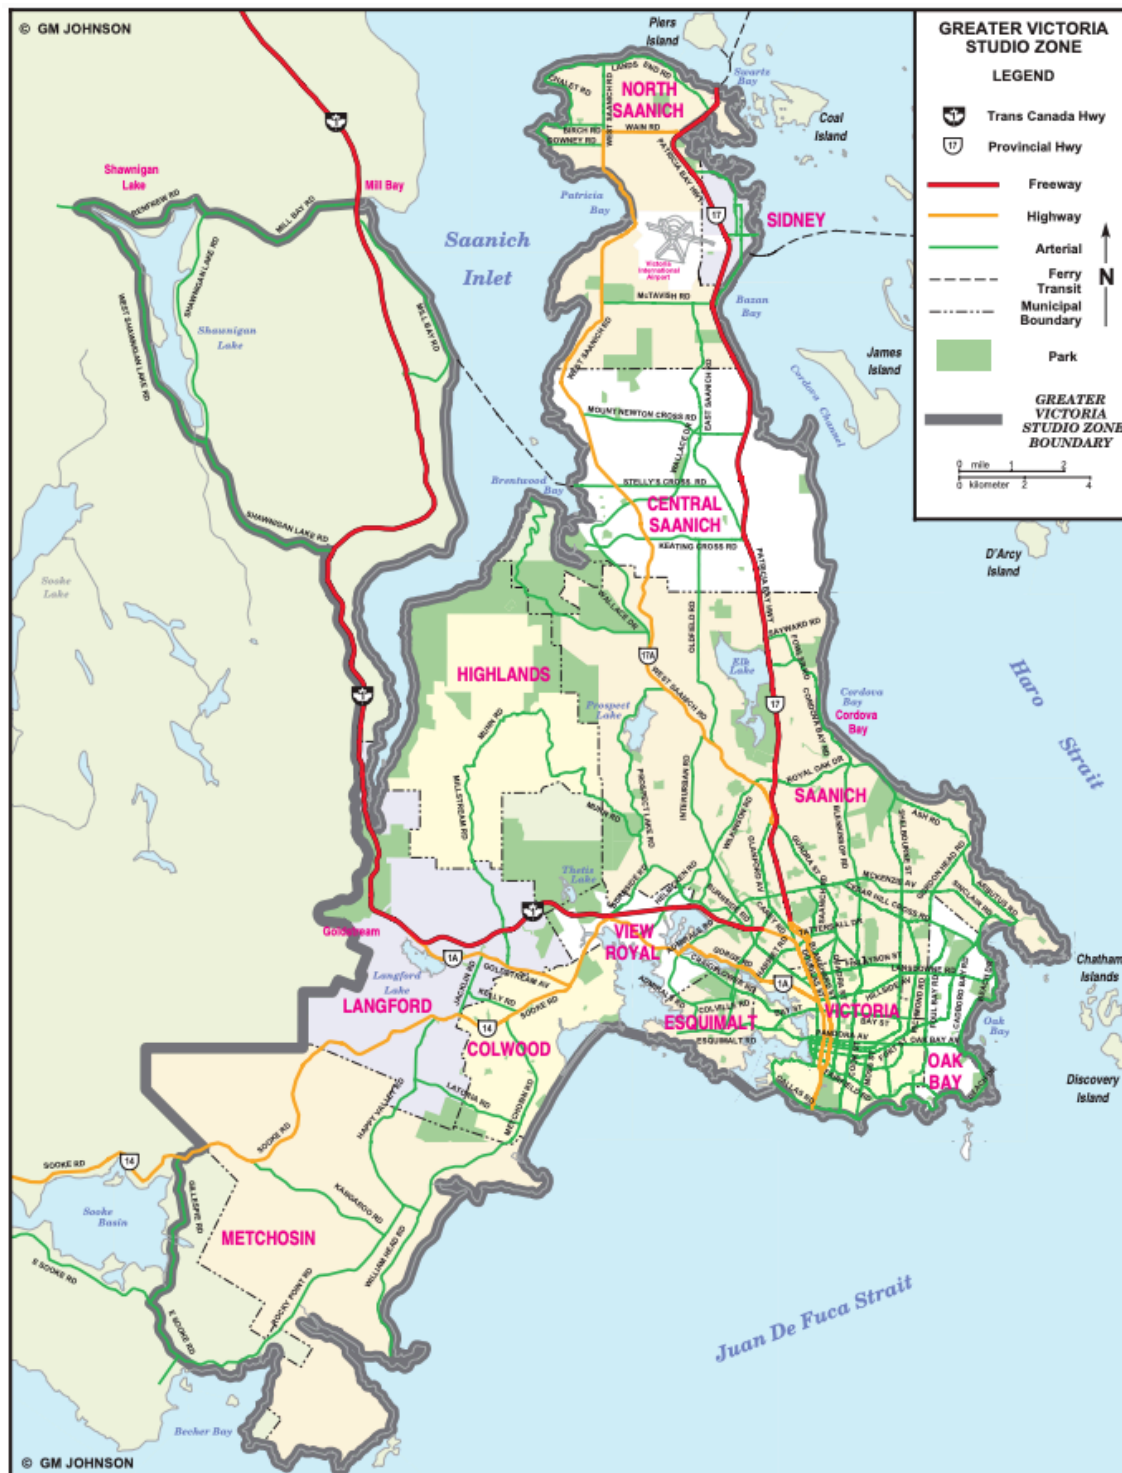

- c. For Distant Locations, the Employer may designate, after consulting with ICG 669, an additional Studio Zone for an area within a circle having a radius of up to twenty-five (25) kilometres but not to exceed an average driving time of thirty (30) minutes, centered around and measured from the nearest municipal hall. Such Studio Zone may not overlap the Vancouver or Victoria Studio Zones. Additional Studio Zones may be established through negotiations on a case-by-case basis provided that ICG 669 receives notice of any request at least one (1) week in advance of the establishment of any agreed-to zone.

- d. The studio zones for Calgary shall be defined as per the accompanying chart and sample mileage. The zone is based on time spent traveling from any off ramp exiting Stoney Trail (HWY 201) with the outer limits calculated by eighteen (18) minutes of unpaid travel. Paid travel time is calculated from Google Maps and will include any necessary additional time calculated by traveling on private roads from the intersection on Stoney Trail that provides the shortest travel time to the reporting location. Outside of the zone the reporting location is crew parking, not the shooting location. Travel on a private road will be calculated at 20 km/hr unless an increase is agreed to by ICG 669. ICG 669 will allow three hundred (300) meters on a private road to access parking to be excluded from travel time. If there is a significant discrepancy between the Google Maps calculation and the physical measurement of the exact distance/speed limit = time traveled, the physical measurement calculation will prevail.
- e. The Studio Zone for Winnipeg shall be forty-five (45) kilometers from the Winnipeg City centre as designated by the Manitoba Legislative Building as illustrated the attached map.
- f. Edmonton, Saskatoon, and Regina shall be consistent with ICG 669's historical practice for those cities.
