MEMBER AND DEPENDENT SCHOLARSHIP INFORMATION

(Academic Year: September 2025 – June 2026)

The ICG 669 Scholarship Program was created to assist members and dependents of members in pursuing diploma or degree granting post-secondary studies. The scholarships are awarded primarily on the academic achievements of the applicant with significant consideration given to additional achievements and merits. Please read the application requirements carefully.

In a case of dispute about standing and eligibility, the Scholarship Review Committee shall be the last resort and final arbiter.

SCHOLARSHIPS

Three (3) scholarships awarded annually of \$1,000 each to active members* and dependents** of active members (at the time of application) of ICG 669. Awarded to a student enrolled full-time in any technical or academic undergraduate or graduate program at any Canadian (preferred) or International accredited post-secondary institution.

Scholarships are administered entirely by ICG 669. Applicants must apply directly to the Union. All applications are redacted to remove name, gender and association of applicant so that they may be evaluated on merit alone.

*An active member is a working member, on Medical Leave or Educational Leave.

**A "dependent" is a person aged 26 or younger living at home, and whose income for the year does not exceed the basic personal amount for the year as provided in paragraph (c) of the description of B in subsection 118 (1) of the Income Tax Act, or a spouse (common-law, and of either sex) who is dependent for income and livelihood upon a partner.
